

Axis 360

eBooks & eAudiobooks

For eReaders & Tablets with Apps

Step 1: Download Axis 360 App

- Go to the App Store/Google Play
- Search for Axis 360
- Click Download or Install

Step 2: Set Up Account

- Open up the app and search for Moline Public Library
- After selecting your library, enter your library card # in the "Library ID" box

Step 3: Download a Book or Audiobook

- To find a book, scroll through the featured categories on the My Library page, tap Browse to browse by subjects, or tap the magnifying glass icon in the top right corner to search for items by title, author and keyword
- Tap the cover image of a book to get more information.
- Books with a book icon will be eBooks. Books with a headphone icon will be eAudiobooks.
- To borrow the book, click "Checkout" or "Place On Hold"
- After the book is downloaded, click "Listen Now" or "Read Now" to begin
- To return the book early, click "Return" on the book's information page
