PATRON REGISTRATION

Moline Residents

One current ID with your name, photo, and residence within the city limits of Moline is required to obtain a library card (see Appendix A for a summary of library card types). If an applicant does not have a photo ID with name and current residence, two pieces of current identification will be required. Acceptable identification includes a driver's license, state ID, student ID, work ID, utility bill, property tax bill, mortgage documents, lease, voter's registration card, a postmarked bill less than one month old, or personalized checks. Resident cards are valid for three years, or as long as the cardholder resides at the registered address.

Children under the age 13 are eligible for a library card. A signature and current ID with name, photo and residence within the city limits of Moline from parent or legal guardians is required for children who are under 13 years of age. Children must be present with their parent or legal guardians to apply for a library card. Children ages 5 and below will receive a limited use My First Library Card. This card will limit checkouts to the Moline Public Library. Up to 20 items from the juvenile collection may be checked out and holds are prohibited. Late fines will not accrue on My First Library Card, but materials that are damaged or lost will be billed to the account. My First Library Card will expire on the child's 6th birthday.

Children over 13 should be accompanied by a parent or legal guardian, who will need to provide current ID with name, photo and residence within the city limits of Moline, but are required to sign their library card application for themselves.

Homebound Books Program Moline residents who are unable to visit the library due to a short or long term disability are able to enroll in the library's Homebound Books Program. Items will be delivered and returned by mail, with all postage provided by the library. Individuals enrolled in this program must have a valid Moline Public Library card, be unable to physically visit the library, and must be willing to accept and abide by the rules governing the delivery and return of items. Enrolled patrons are only eligible for mail delivery of materials, not in-person checkout or return at the Moline Public Library or other PrairieCat member libraries.

Nonresidents

Property Owner Cards Anyone owning real property within Moline city limits may obtain one library card in the name of the taxpayer at no charge upon presentation of a tax bill and photo ID. Library cards issued to real property owners are valid for one year.

Nonresident Cards In order to protect the rights of residents of Moline who pay taxes to support the library, nonresidents of Moline will be assessed an annual fee for the borrowing privileges which the residents of Moline pay for through their property taxes. This fee represents the average annual household tax paid to the Moline Public Library. This nonresident fee covers all residents of a household. A nonresident is defined as "an individual residing in Illinois who does not have his or her principal residence within a public library service area." (23 Ill. Adm. Code 3050.10) The Moline Public Library Board of Trustees may adopt an annual fee for borrowing privileges extended to nonresidents of Moline. Arrangements can be made with the Library to make payments for the nonresident card fee. Nonresident cards are valid for one year.

The nonresident fee does not apply to veterans with a service-connected disability who are exempt from paying property taxes on their primary residence. When applying for a library card, qualifying individuals must present documentation from Rock Island County indicating their property tax exemption. (23 Ill. Adm. Code 3050.60)

The nonresident fee does not apply to individuals under 18 years of age (Public Act 102-0843).

Children and Privacy Parents and legal guardians are ultimately responsible for guiding and monitoring a child's library use. Libraries and their employees do not act of behalf of parents and guardians to monitor, control, or restrict what a child selects when a parent is not present.

Illinois privacy law protects the confidentiality of library records. This means that library employees may not share information with parents or guardians about what children have checked out or requested from the library. Parents or guardians who would like to monitor their child's library account can use their e-mail address on the child's registration, monitor mailed and e-mailed library notices, and manage their child's account online.

BORROWING LIBRARY MATERIALS

Borrowers must present their physical library card when checking out materials at the Moline Public Library. In the absence of a library card, Moline cardholders can present a valid photo ID or present their barcode via the library's app. Minors may present a student ID or log in to their Skyward account for identification purposes.

Loss of Privileges Library accounts with a balance of \$10 or higher are automatically blocked. Privileges are reinstated once the account falls below this threshold.

Lost and Damaged Items Borrowers are responsible for the replacement costs for lost or damaged items. Replacement costs include the list price of the item and a nonrefundable processing fee. If damaged material is returned in the book drop, a letter will be sent informing the patron of the amount owed for the damage.

At the discretion of the purchasing staff member, the library may accept replacement copies for lost items owned by Moline Public Library. The borrower must still pay processing fees. The replacement copy must be an exact match of the original (i.e.

author, titles, year, ISBN, format, etc.) and in new or like new condition. The library reserves the right to refuse any replacement copy.

Refunds are not issued for lost and paid items that are later found and returned.

Collections Moline Public Library accounts with a balance of \$25 or more are reported to a collection agency. A nonrefundable collection agency report charge is added to any account in collection.

Holds and Interlibrary Loans (Out of System Loans) Holds may be made on most circulating material found within PrairieCat, with the exception of new items not owned by Moline Public Library, passes to local attractions, reference material, books reserved for in-library use, and mobile hot spots.
